For 20 years the local churches have supported SMB enabling various workers to be employed throughout that time. Today there are two workers employed to serve the 16 schools in the area.

We have had so many opportunities and we want that to continue. As we move into a new phase of work, and increase contact with schools, a potential move of office and growth of our volunteer team we need your support more than ever.

The ways you can support are:

Pray - We send out regular prayer lists, E-mail us to be added to the mailing list and you'll also receive a termly newsletter

Volunteer - You might have experience working in schools or with children and young people, or you might have some time that you'd like to give to serve in school. Subject to a

CRB check and a reference from a church leader, you could join the wider team.

Call or email us to find out more.

Give - As well as churches giving financially, we also have a number of fundraising events throughout the year and you can also individually support the on-going work of SMB
